

NATIONAL SHERIFFS' ASSOCIATION

May 20, 2019

Mr. Phil Keith
Director
Office of Community Oriented Policing Services
United States Department of Justice
145 N Street, NE
Washington, DC 20530

Dear Director Keith:

The National Sheriffs' Association (NSA) is committed to collaborating with MovementForward, Inc., and its One Congregation One Precinct (OneCOP) initiative. I write today in support of OneCOP's application to your recently released grant proposal solicitation.

NSA is a not-for-profit organization of over 20,000 members that represents the more than 3,000 elected Sheriffs across the US, as well as State Sheriffs' Associations and the interests of all law enforcement. If the OneCOP grant application is successful and receives funding from your agency, we will continue to assist and collaborate with MovementForward to offer the initiative to our nationwide network.

NSA's commitment to the OneCOP initiative, if grant resources are made available, may include delivering subject-matter expertise, counsel and coordination via conference calls, event participation, meeting space sharing, webinars, and disseminating educational resources to our membership.

Thank you for the opportunity to provide support for this important effort. Please reach out directly should you require additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan F. Thompson".
